# GRANT FUNDING GUIDELINES NORTH REGION

## Sustainability

- Individualized asset may be supported by the local jurisdiction, however on-going costs related to regional assets may be supported by SHSGP funds.
- Priority may be given to projects that plan to assume sustainability costs at the jurisdictional level.
- Sustainability costs associated with interoperability may be supported.
- Associated costs to support Level A TLO may need to be supported by the local jurisdiction.
- Associated costs to support Level B and C TLO may be supported through SHSGP funds.

## Training and Exercise

- Training and Exercise projects will be accepted under a coordinated effort among County Emergency Managers of the North Region. Regionalized Training and Exercise projects should be organized collectively hosted fiscally by one identified stakeholder

## Regional Response Capabilities (SWAT, RRT, HAZMAT, EOD, IMT etc.)

- Priority may be given to projects that support a regional response capability.
- Encourage a project that will complete resource mapping/typing and response range for the North Region.

## Interoperability/Narrowbanding

### Training and Exercise
